

### Engage

---

What can hold us back from sharing about our spiritual life?

### Read 1 Peter 3:13-22

---

What is Peter calling us to do in the second sentence of v.15? What are the different aspects of his encouragement that stand out to you (perhaps circle them and discuss).

*“Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have.” (v.15)*

### Read Romans 10:14

---

Map out Paul’s argument in this verse:

Consider both passages, what are the main reasons we should share our faith in a world of many faiths? (See also Matt 28:18-19a)

### Apply

---

What encouragements to push through relational discomfort and opposition to sharing our faith does Peter offer in vv.14 & 18 of the 1 Peter 3 passage?

Why is our Christian hope such good news even when it results in hardship?

**Bringing friends to faith**

Have you prepared to share your Christian hope if the opportunity allows? What can you do this week?
